2 Business Association:

We are the pioneers in **Customs Clearance & Complete Logistics Solutions** at major ports and Airports of India, & NCR region. Our expertises are in the fields of IT/Electronics and Telecommunication besides the support & service extended to other manufacturers of Automotive, Chemical, & various other industries. We also advise our clients the changes which are in force from time to time. We undertake all related supply chain functions including the freight forwarding and storage/warehousing functions for our customers. In case of requirements for storage under customs bond, we undertake such outsourcing jobs from our esteemed customers.

During the last 35years of consistent support to our trust worthy customers, we have been placed in the first 3 CHA in Delhi customs.

With the support of our below mentioned valued customers S.K. JAIN & COMPANY has received **1st position Excellence AWARD** for CHA-IMPORT from CONCOR North Central Region for the period 2007-2008
